NEW

DigiCan

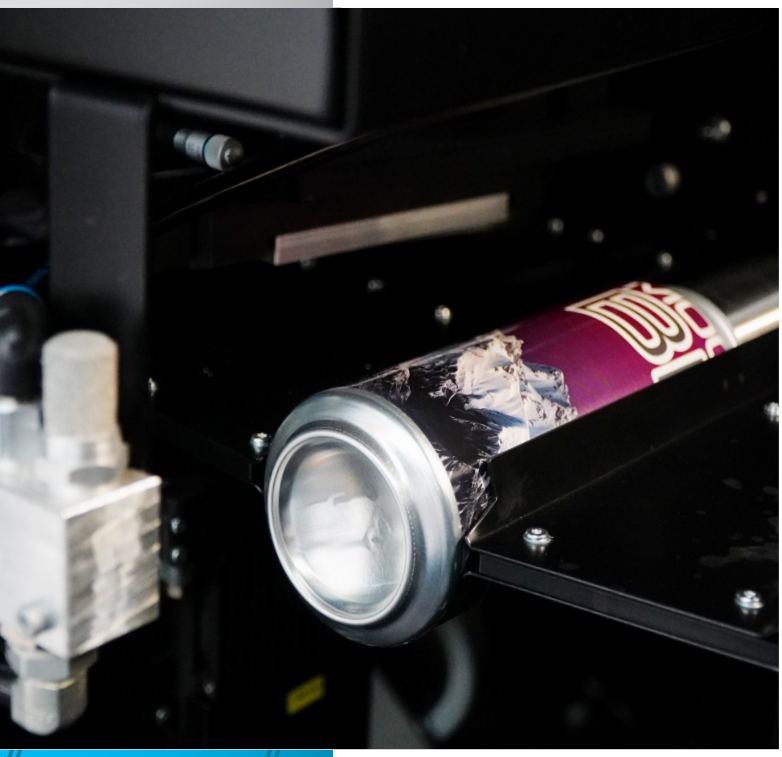
Built for fast brands and flexible production

//polytype

Passion · Innovation · Decoration

New DigiCan:
A compact inkjet solution for seamless beverage can decoration

// High-resolution print quality with sharp text and photorealistic finish
// Single, small and large runs with quick setup times and minimal waste
// Zero third-party involvement with //polytype's digital printing system
// Variable data printing enabling every single print to be unique
// Cost-efficient single-pass process with no prepress required
// Adapt faster to market trends and reduce time to market



DigiCan is the right solution for efficient and high-quality can decoration.
Give your cans the Wow! factor with photorealistic designs, bright colours and sharp details.
